Connecting to the ClubWiFi Network

1

CONNECT - open the WiFi settings on your device and select ClubWiFi from the list. If more than one is available - select the one with the strongest signal.

2

LOGIN - You are not connected until you have completed this stage. If this screen does not automatically appear, go to www.clubwifi.co.uk and click the login button.

ONLINE PAYMENT -

Create your account and follow the onscreen payment instructions.

3

REMEMBER - your Username and Password

They are case sensitive

4

START BROWSING - If you have any issues please use the online guides* www.clubwifi.co.uk/support **email:** info@clubwifi.co.uk **call:** 01626 270140

*(you should be able to access this page even if you are having problems connecting)

Please note that due to the rural location of some of the parks you will not always be connected to super-fast broadband, at these parks we do not recommend streaming.
